i have considered collecting forty more important than all of those and they would be forty ḥadīths inclusive of all that but each ḥadīth would be a great precept from those of the religion one that scholars had described as being the axis of islam or half of islam or a third of it or something similar furthermore i would commit myself regarding these forty to their being authentic and most of them are found within the two Ṣaḥīḥs of al bukhārī and muslim i cite them with the chains of narration deleted in order to make their memorization easy and their benefit widespread in sha allah ta'ālā i then follow up each of them with a section defining their more obscure wordings everyone desiring the hereafter ought to know these ḥadīths for what they contain of important information and because they alert one to all kinds of obedience

which is obvious to whoever reflects upon it upon allah is my dependence and to him is my commitment and he is my support to him belongs all praise and favor and from him is all success and protection

there were some scholars who collected forty hadiths on the fundamentals while others did so on derived matters others on jihad others on indifference to worldly things others on conduct others on speeches etc and all of them are sound directions may allah be pleased with those who followed them but i have considered collecting forty more important than all of those and they would be forty hadiths inclusive of all that but each hadith would be a great precept from those of the religion one that scholars had described as being the axis of islam or half of islam or a third of it or something similar furthermore imam al nawawi would commit himself regarding these forty to their being authentic and most of them are found within the two sahih s of al bukhari and muslim he cites them with the chains of narration deleted in order to make their memorisation easy and their benefit widespread the present selection is generally regarded as the most popular anthology and the best introduction to the study of prophet muhammad s sayings which together with the quran contain the essential teachings of islam

what is sharia sharia are laws informed by the words sunnah and stories hadith of mohammed this study is an effort by an american protestant to take an honest look at these traditions that have been at the center of much discussion and misunderstanding in the u s

imam al nawawi s collection of 40 hadiths is one of the most important collections of hadiths we have today allah granted him blessing and success in his work so that he could make great contributions to islam at a relatively young age

scholars have compiled forty hadeeth on faith and belief usool on practical matters furoo on jihaad on austerity zuhd on etiquette adaab and even on sermons khutbahs all of these collections were concerning righteous aims may allaah be pleased with those who sought them however i have found it best to collect together forty hadeeth which are more important than all of those these forty hadeeth incorporate all of those separate topics in fact each hadeeth is by itself a great general precept from the foundations of the religion some scholars state that all of islaam revolves around these hadeeth some have said about a particular hadeeth that they are one half of islaam one third of islaam and so forth
